# PROMOTIONAL VIDEO

Final Script & AI Asset Note

Student: Maui Comia

Section: 3-CS3

Promoted service: Video Editing

## 1. Final Promotional Video Script

This script is organized from the spoken-message/caption content visible in the submitted video. Please compare it with your actual voice-over and adjust any wording that differs.

**INTRODUCTION:** Hi, I'm Maui Comia, and let's create something worth watching!

**WHAT I DO:** I enjoy exploring different ways to make videos more engaging and visually appealing, from color grading and smooth transitions to motion graphics and creative effects.

**MY APPROACH:** For me, video editing is more than just putting clips together. It's about turning ideas into visual stories.

**WHAT I BRING:** It takes creativity, storytelling, and finding the right way to bring every idea to life.

**CALL TO ACTION:** Have a story to tell? Let's bring your vision to life.

## 2. AI Asset Note

The following tools assisted with the preparation of this promotional video:

- **ChatGPT –** Assisted with brainstorming and polishing the promotional script.
- **Studio AI–** Used to create or assist with the visual clips/assets shown in the video. Remove this line if no such tool was used.
- **CapCut –** Used to assemble and edit the video, add text/animation, transitions, captions, and/or audio. Keep only the features you actually used.
