ÉLANORA

PREMIUM SKINCARE BRAND

Introduction

I am offering print media design services for ÉLANORA, a premium skincare brand dedicated to helping individuals reveal their natural glow. Through professionally designed promotional materials, the brand can effectively communicate its message and attract potential customers.

Deliverables

Flyer

The flyer was designed to promote ÉLANORA's Radiance Collection. It highlights the brand identity, featured skincare products, and key promotional message in a visually appealing format.

Poster

The poster was created to capture attention and increase brand awareness through a clean and elegant design.

Why Print Media Is Important

Print media remains an effective marketing tool for promoting products and services. Flyers and posters help increase brand visibility, communicate promotional messages clearly, and leave a lasting impression on potential customers.
